

Growing Older in *Burrillville* Share your Challenges, Opportunities and Ideas

Join us on Thursday, Sept. 13, 2018, to talk about the challenges, opportunities and the ideas you think would make growing older in the state's Northwest corner even better.

If we are fortunate, we grow older. With aging comes challenges - big and small. We want to hear from you - what's working, what's not.

Communities across Rhode Island are asking these questions and coming up with grassroots solutions. Aging in our communities can be improved by having these conversations. Let's continue to make Burrillville a great place to grow up and to grow old.

Who should come? No special skills or certifications required - Anyone interested in living a full life in Burrillville is invited.

When? Thursday, Sept. 13, 2018 - Coffee at 10:15, Meeting at 10:30

Where? Jesse M. Smith Memorial Library - Community Room
